If you have recognized some areas here are some things to do to start the process towards victory -

1. You have to decide to participate with the Lord on gaining your victory in Christ.
2. Then you need to decide that you are no longer going to forsake prayer and devotion. You have to schedule a TIME to pray, and you have to make a PLACE for prayer. Without these two things you will NOT pray.
3. Make a decision that you will not forsake the assembling. Your church is a place of power.
4. Go from being ONE to being TWO. Find your partner in prayer. Get a helpmate to fight with you.
5. Don't leave the covering of your shepherd. Sheep need a shepherd.
